

**Marsha and George Berry**  
Project Summary  
Bobbitt  
25 September 2007

**Results**

- 1 Double checked the Grundisburg entry for Robert Bobbett and Agnes. Found that the IGI's extraction were correct. Agnes was buried in 1554 and Robert was christened in 1556.
- 2 Searched the Melton parish registers for Bobbett burials. Found some Bobbetts. Also extracted some pertinent marriages. See extractions.
- 3 Ordered and/or found additional wills from Amy's list. Still need to be transcribed.

**Recommendations**

- 4 Search a bit on collateral lines such as Skolding and Smith to see where they came from or go.
- 5 Search other Ipswich parish registers for the marriage of Robert Bobett and Isabel Gouche and christenings of their children.
- 6 Continue checking Bobbet wills listed in Amy Harris's list.
- 7 Search the film "Monumenta antiqua; land deeds and rolls, v. 1-7" (FHL Film 453034) for the exchanges of property at Grundisburgh and Campsea Ash (especially around the years of probated Bobbet wills).
